New Colors for Fabric Art Markers *Jacquard Products Introduces 8 New Tee Juice Colors*

Healdsburg, CA (December 2010) - Tee Juice now has a softer side with new pastel colors to complement the existing bright, bold palette. Jacquard Products is adding eight new colors (Goldenrod, Tangerine, Pink, Lilac, Sky Blue, Spring Green, Tan and Grey) to their popular Tee Juice Art Markers to offer a total of 16 color choices.

These exceptionally versatile markers can be used to create designs on: fabric, paper, T-shirts, clothing, shoes, cards, scrapbook pages, table linens, cloth/canvas bags, backpacks, lamp shades and many other applications. The color screams, but the finished fabric still feels soft to the touch.

Simply draw, let dry and heat set with an iron.

Jacquard has a new Tee Juice Fabric Art Marker display that will be available in January 2011. This gorgeous, white metal and acrylic display holds 192 Fine Point, 192 Medium Point and 96 Broad Point markers. The display is 16.75" W, 7.70" Deep and 33" H (including header).
