Marbling Class Pack

This pack allows

students to create elegant patterns on fabric or paper. The pack comes with: 8 (2 oz.) bottles of Jacquard Marbling Colors, 1 lb. of alum (for pre-treating the paper or fabric), 8 oz. of methocel (quick-wetting marbling medium), cotton fabric (2 yds. of 61" cotton sheeting), 8 droppers for applying paint, easy-to-follow instructions.
