BAMBOO BONANZA

Exquisite New Bamboo Fabrics Have Just Arrived

Healdsburg, CA (July 2010) - Silk Connection has just added two new 100% bamboo fabrics, white twill and white sheeting, to their extensive line of dye-ready natural textiles for artists and crafters. These exquisite bamboos have a fine "hand" and drape beautifully, perfect for clothing and quilting applications. Bamboo fabrics are valued for their anti-bacterial, hypo-allergenic and excellent moisture wicking properties. These fabrics accept dyes extremely well with superb color yield and saturation providing the perfect ground for Jacquard Products' extensive collection of screen inks, pigments, dyes, paints and fabric art markers.

Both the Bamboo Twill and Sheeting are available in 57-58" width with a minimum purchase of 1 yard. A complete sample swatch set (3½" x 4" swatches) of Silk Connection's entire line of fabrics is available for \$14.
