MARBLING on a whole new level!

NEW Marbling Colors, IMPROVED Kit & Class Pack

Healdsburg, CA (May, 2015) - Introducing a new line of [Marbling Colors](#) from Jacquard Products! We've been working long and hard to bring you the easiest to use, most vibrant, exciting and professional-quality marbling system in the world! Nine gorgeous Marbling Colors have been re-formulated for beautiful and easy marbling on paper, fabric and more. With the addition of Synthetic Gall, marblers now have total control of their colors. The inclusion of these new products in our Marbling Kit and Marbling Class Pack makes for significant and exciting improvements for both. We are proud to announce this new and improved marbling system and know you will be thrilled with the results!

Features:

- All colors spread equally on the marbling surface. This eliminates issues with color mixing and makes for well-balanced designs.
- Good adhesion on any porous or semi-porous substrate, including paper, natural and synthetic fabrics, wood, leather, canvas and more.
- Permanent and washfast on fabric after heat-setting.
- Jacquard's Synthetic Gall gives marblers total control of each color and allows them to adjust how much each color spreads on the marbling surface.
- Formulated for ease-of-use and professional results.

- The most vibrant marbling colors available

IMPROVED!

Marbling Kit (Item JAC9609)

Ages 8+ - \$19.99 *MSRP*

The classic Jacquard Marbling Kit has been revamped and improved upon in a number of ways. We have redesigned the box (pictured below) and made the below changes.

*Please also **note the new price, effective immediately.***

- Replaced Methocel with [Carrageenan](#), which produces finer marbling lines and allows the paints to perform better.
- Balanced all colors to produce even spreading and maximum depth of color
- Replaced Green (easy to mix with provided colors) with a vivid Violet (difficult to mix with provided colors)
- Included Synthetic Gall for greater control and special effects
- Improved floating of every color
- More thorough instructions
- No need for ammonia

Kit includes:

- 6 Marbling Colors, .5 oz/14 ml each: red, blue, yellow, violet, black & white
- .5 fl oz/14 ml Synthetic Gall
- 4 oz/113 g [Alum](#) (mordant)
